Master Plan

This project is led by VASARI a building company with over 25 years of experience developing ultra-luxury properties in Marbella. With a background in developing everything from apartment buildings to mega mansions, it has given them the expertise to design “The Club Villas” to become one of the most sought after addresses in the Costa del Sol.

The 14 luxury villas in this project stand out for their modern and functional design with a choice of three different layouts and sizes “PREMIUM”- “DELUXE” - “SUPERIOR” to satisfy the most demanding tastes. All of them incorporate well thought-out interior details and have at least five bedrooms with ensuite bathrooms, beautiful dressing rooms, spacious living rooms, fully equipped designer kitchens, large covered terraces, tropical gardens, large swimming pool, barbecue area, multi-use basement (gym) and solarium with jacuzzi with amazing views. Interior design furniture, fittings and decoration by the renowned company “La Albaida”.

“The focus throughout the entire project has been on perfecting every detail.”
